Visualizing The Weekdays of 3 Node Students

Aaron Gu, Fiona Seoh, and Melissa Wu

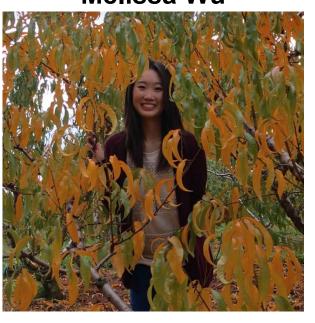

Meet the team!

Melissa Wu

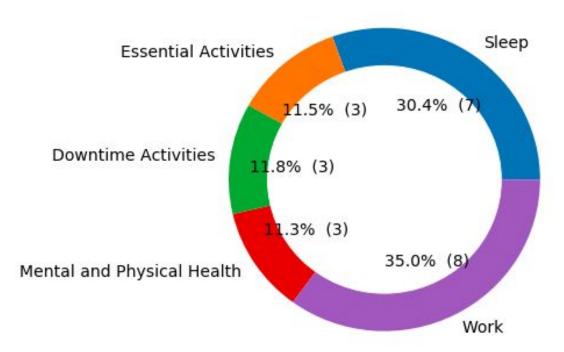

Average Activity Breakdown for each weekday

Donut Chart

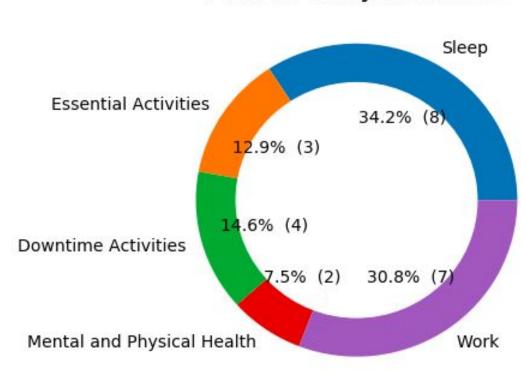

Aaron's Daily Activities

Aaron spends a lot of time eating and hanging out with friends

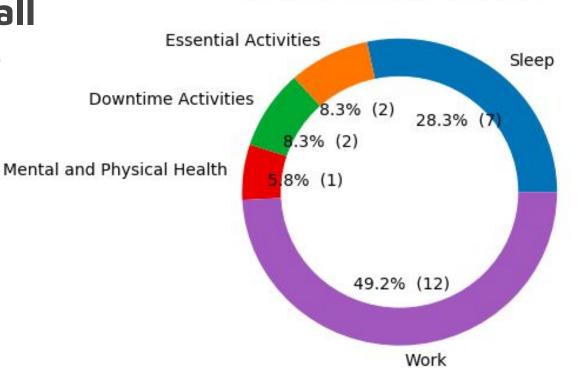

Fiona gets the recommended amount of sleep for teenagers

Fiona's Daily Activities

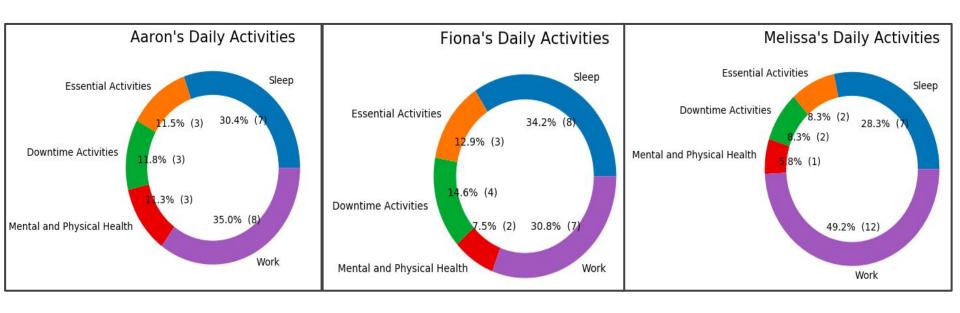

Melissa's Daily Activities

We should all strive to be like Melissa

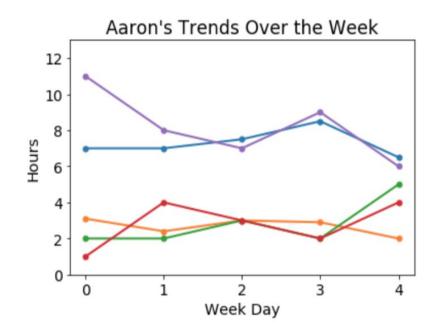

Trend of the time spent on daily activities over the weekdays

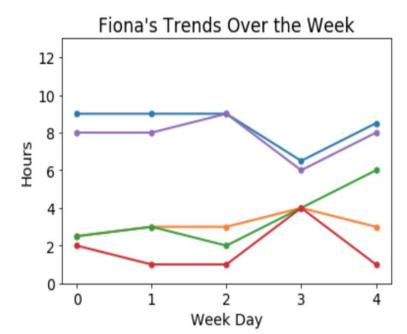

Line Graph

It is possible Aaron had an exam on Monday of this week...

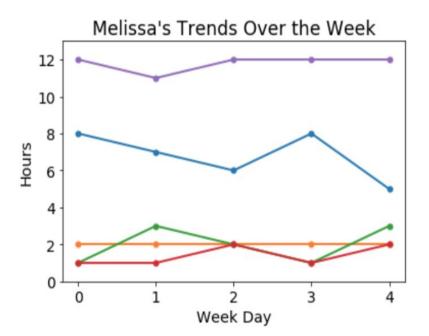

Looks like
Fiona likes
sleeping just
as much as
she likes
working.

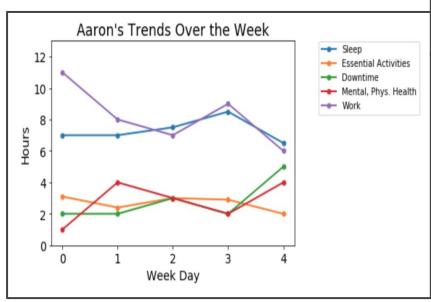

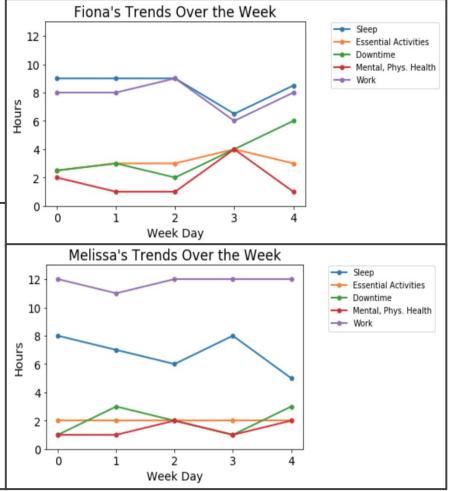

Melissa spends more time working than sleeping.

Comparisons
